## TRAINING OVERVIEW

Hypnosis has been scientifically proven to be effective in creating change in certain repetitive behaviours including smoking and weight loss, stress reduction, motivation and pain control.

Our 3 days training is excellent for anyone who wants to learn hypnosis with a maximum of “hands-on experience”. Over the course of our training you will be guided through the basic levels of hypnosis, moving onto more moderate levels by the end of the Certification Training by Sebastien Leblond using “Hands-on” practice, lecture and discussion.

## BENEFITS OF HYPNOSIS TRAINING

“Hypnosis is a state of intensified attention and receptiveness to an idea or to set of idea.”  
(Milton Erickson)

- Create powerful motivation for change
- Quit Smoking
- Eliminate Stress
- Use Hypnosis legally and Ethically
- International Certification through ABH
- Start or Build your own Business
- Change your Life & assist others to change theirs

## WHO SHOULD ATTEND

- People interested in personal or professional growth
- People who want to excel as a professional coach, consultant or mentor
- Therapists, Psychologists, Doctors

### 5 Reasons Why You Must Attend This Hypnosis Training:

#### 1. Branch Out with a New Carrier

Are you wanting to start something new in 2015? Then this is your first step towards starting a new carrier in a very rewarding industry. Due to the popularity of hypnotherapy and demand for quality hypnotherapist, there has never been a better time to become a practitioner now- do what we teach and you will be busy very quickly!

#### 2. Add hypnosis to your existing practice

Are you already a Coach? Then expand your practice, increase you client numbers and include Hypnotherapy as part of your skill set. The Average Hypnosis session ranges from \$200-\$500 so you will have a positive return on your investment in a very short time.

#### 3. Personal & Professional Development

Hypnotherapy has been used in personal & professional development for many years. This is a hands-on training and we focus on Quit Smoking, Over Eating, Performance Enhancement, Stress Reduction and Bad Habits. You will have the opportunity to experience and receive the positive benefits of Hypnotherapy and you may be surprised just how good you feel by the end of the last day!

#### 4. Hands-On Training

If you have taken other trainings in Hypnosis, you will probably find this easier to learn than most, and the reason is that we lay it out logically and make it easy to learn by building on the successes you have over the course of the training. Start practicing from day one.

#### 5. FREE Life-Time Ongoing Support

In the office, we have highly qualified personnel who are on hand daily, to support you in getting the results you want. You can call NLP Top Coach Company at any time for support.
